PYRAMID ATLANTIC

In 2003, Pyramid Atlantic relocated to the heart of the Arts and Entertainment Center in Silver Spring, MD. The facility features a paper mill, print shop, letterpress studio, bindery, and cutting-edge digital studios. It pursues its core mission through out three core programs areas: Artist-In-Residence Programs; Education Programs; and Exhibitions and Event Programs. These programs connect community to the arts via activities designed to spark a dialogue between professional artists and the public.

Pyramid Atlantic is two blocks from the Silver Spring Metro. There is limited parking in the lot in front of the building, and there is ample public parking (free after 7pm and on weekends) in the county garage on Bonifant Street. Bonifant Street is BEFORE Pyramid Atlantic if you are coming from the Beltway or Colesville Road.
